International Travel Partnership (ITP), the global Travel Management network, has supplemented its coverage in North America with second partner, UStavel. This brings the number of ITP partners to 35 in 29 countries.

Ian Epps, Director of Partnership Relations with ITP said, “We are very pleased to be working alongside UStavel, a national leader in Travel Management. Their strong West Coast base complements our existing coverage in the USA and brings an even stronger Travel Management focus to ITP”.

Virginia Palla, General Manager with ITP, added, “Being part of ITP will bring UStavel many benefits and with UStavel's size, range of services and experience they will also provide a valuable contribution to ITP's ongoing development”.

Yvonne Long, Senior Vice President Sales and Marketing, UStavel said, “joining ITP is an exciting new step for UStavel, and their rapidly expanding network will enable us to service our corporate clients more effectively from a global perspective. We are looking forward to a long and successful alliance”.

About ITP

ITP-International Travel Partnership is an independent alliance made up of carefully selected leading travel management companies in key commercial markets around the world. The alliance, whilst focusing on corporate travel, also provides its partners with technology solutions to facilitate intra-network support for MICE and DMC servicing.

Amongst its many support functions, ITP also provides its travel management partners with customised products to support both local and multinational customers.

International Travel Partnership is a consortium of 35 medium-sized travel management companies from 29 countries providing a full range of travel management services to corporate customers.

The countries represented in ITP are: Albania, Bulgaria, Canada, Denmark, Egypt, Estonia, France, Greenland, Hungary, India, Indonesia, Iran, Italy, Kazakhstan, Kuwait, Nigeria, Poland, Russia, Singapore, Slovak Republic, South Africa, Sweden, Switzerland, Turkey, Ukraine, UK, United States, UAE and Uzbekistan.
