Windsor, 02 September 2008

ITP appoints Wandrian

ITP - International Travel Partnership has joined forces with rail specialist Wandrian to provide a comprehensive rail booking tool for its partners and their customers.

RailAgent is a one stop tool giving the worldwide network of ITP agents access to an extensive range of rail tickets, passes and train trips in Europe, North America, Australia and Asia.

Virginia Palla, ITP's General Manager, said: "As high speed rail develops across Europe and the rest of the world, it is becoming a more cost effective and hassle free alternative to other forms of short haul transportation.

"It is important that our partners can easily obtain information and reservations for any rail services worldwide and Wandrian's RailAgent meets their requirements for coverage, value and speed of processing."

Charles de Gaspé Beaubien, Wandrian's senior vice president business development, said: "We are delighted to be working with ITP to supply it with our booking solution RailAgent.

"ITP has an extensive network globally and by using RailAgent it now has a complete solution to booking rail.

"We are delighted with the partnership and look forward to working with them to increase rail sales."

About ITP

ITP-International Travel Partnership is a worldwide network of medium-sized travel management companies providing a full range of services to corporate customers. Whilst the main focus is upon corporate travel, ITP also provides its partners with technology solutions to facilitate intra-network support for group travel (MICE) and DMC servicing.
